St John, Bellville

Please pray that we may faithfully pursue our parish vision statement during 2019:

‘THE LOVE GOD STARTED IN US, WE EMBRACE, CELEBRATE, DEEPEN,
LIVE OUT AND SHARE WITH OTHERS’

Also that we may live out the following values:

- Please pray that everyone may feel called to be on a spiritual journey as a disciple of Jesus in a life - long process of growing and maturing – growing in faith, knowledge, prayer. That we shall all be willing to identify our God-given gifts and be willing to be involved in at least one ministry, after the example of Jesus who came not to be served but to serve. That we shall also commit to one programme of faith formation for the year.
- Please pray that our ministry of social outreach may be founded on God's justice and be rooted in servanthood, that it may be something we do rather than just speak about. That we shall both care for people's immediate needs as well as work towards creating more just structures in society and equip and empower people to find ways of taking care of their own basic needs..

We request prayer against the ongoing gang violence in the streets of Uitsig and Clarke Estate around St Andrews church in Eureka Estate. Innocent teenagers are

oftentimes the targets of new gang members who apparently have to shoot someone as part of their initiation rite. Due to these tragic shootings, we are faced with the dilemma of whether to have church services in the evenings because of the fear amongst parishioners that they may be deliberate targets or accidental victims of such shootings when they return home after the evening services. Many don't have access to a vehicle and walk to and from church. We have started our Lenten Wednesday evening services and pray for the Lord's protection for those who attend, and for peace for those who fear to go out at night.

God of compassion and hope
ruling above all earthly structures of governance:
guide the people of this nation now called to elect their leaders,
that the parties may present their manifestoes with honesty and clarity,
that the voters may cast their votes in safety and with confidence,
and that those responsible for the elections will work efficiently,
to ensure that the result will be accepted by all parties
and the new government supported as they seek to build one nation
in which all can exercise the gifts that they will offer
and use for the greater good
This we ask in the name of Jesus Christ. Amen.
